EXPERIENCE

MMCY TECH **April 2025 – Present**

Floor Supervisor

- Supervised approximately 50 agents, providing coaching and day-to-day support in a high-volume sales environment.
- Monitored KPIs, attendance, and performance, conducting call listening and quality checks to identify areas for improvement.
- Conducted monthly performance evaluations and reporting, tracking individual performance and escalating operational issues to senior supervisors.
- Supported agents with campaign-related questions and provided guidance based on previous BDR and SDR experience.
- Participated in ongoing leadership and performance training to strengthen coaching and team-management skills

SALES DEVELOPMENT REPRESENTATIVE (SDR)

- Handled 400–500 calls per day using an automated dialer, managing both inbound and outbound calls.
- Worked on a federal student-loan information campaign, engaging borrowers, answering initial questions, gathering qualifying information, and transferring qualified prospects to senior agents.
- Worked against 5–6 daily KPIs, including a target of approximately 6 qualified transfers per day.
- Achieved top-performer recognition and performance bonuses, demonstrating consistent performance in a demanding, target-driven environment.
- Applied objection handling, active listening, qualification, and customer engagement skills to identify interested and qualified prospects.

BUSINESS DEVELOPMENT REPRESENTATIVE (BDR)

- Made 152–200 outbound calls daily through manual dialing using OnSIP while prospecting small-business owners.
- Researched and sourced prospects using Apollo, LeadIQ, LinkedIn, and other prospecting tools.
- Introduced prospects to technology and outsourcing solutions, including website development, event management, and other business services.
- Qualified leads and booked appointments through cold calling, gatekeeper handling, objection management, and follow-up.
- Used email and LinkedIn outreach to provide additional information, follow up with prospects, and move qualified opportunities forward.
